PROFITS - Each Scout earns 25% of their sales of Wreaths, Popcorn, Kringle, and Coffee for their Individual Scout Account. Plus, the top three sellers of each product earn an extra \$\$ bonus.

The Troop 49 General Fund gets 25% of Wreath sales, 15% of Popcorn sales, and 15% of Kringle and Coffee sales.

Each scout is required to sell enough product to earn at least \$125 per year for the Troop General Fund- you can make that by selling \$500 in wreaths or \$850 of the other products, or a mix. Troop 49 is counting on these sales to pay for the 2021 recharter fees for scouts and adults, plus merit badges, rank and position patches, Courts of Honor, trailer storage and insurance, equipment and repairs, adult camp fees, and other yearly Troop expenses. Product Sales help Troop 49, Potawatomi Area Council, and your individual scout account too.

Adult Help Needed-Mrs. Ewald will need help with pick up of product at council the morning of Nov 5 and help with sorting at her house in the afternoon. Please let her know if you can help!
