## Campership Application

For CLL Summer Camp Only

Every youth in Scouting should have the opportunity to experience the excitement and challenge of a summer camp. The inability to pay the full fee should not limit participation.

It is the expectation that every youth should contribute some funds toward their camping experience. In addition, the following should be considered before submitting an application:

- Has the Unit or the Chartered Partner assisted in any way?
- Is there a bona fide financial need? (as determined by the Unit Leader)

Details about the Campership:

- Funds are limited. If approved, it is non-transferable to another Scout.
- Applications are reviewed and approved during the May Camping Committee meeting.
- The date that the campership application is received determines the total fee.
  - Treat it as if the total payment was being made on that date.
- Scouts/Leaders will be contacted with the decision 5-10 business days after **May 10**.
- Once approved, Units should pay the total balance minus the approved grant. No late fees will be applied, as long as the payment schedule is followed.

**This application is to be completed by a Unit Leader.**

Send the completed form (as a PDF) to [operationsdirector@pacbsa.org](mailto:operationsdirector@pacbsa.org).
